# **1. INTRODUCTION**

The National Assessment and Accreditation Council (NAAC) has evolved tools and guidelines for improving quality for different levels of higher education institutions and for its sustenance. The monitoring and evaluation of the institutional processes require a carefully structured system of internal and external audit. The NAAC expects the Institutions to undertake continuous academic audit through Internal Quality Assurance Cell (IQAC).

## **1.1 ACADEMIC AUDIT:**

It is a scientific and systematic method of reviewing the quality of academic process in the institution. It is related with the quality assurance and enhancing the quality of academic activities. The academic audit assessment includes OBE activities, Course delivery as per the curriculum and syllabus of EGSPEC, research, publications, consultancy and projects, the co-curricular and extra- curricular activities of students, the academic functioning of the Institution, delivery of the duties and responsibilities of faculty members and monitoring of the class, progress of courses, internal assessment, student welfare and grievances.

## **1.2 MAJOR OBJECTIVES OF ACADEMIC AUDIT:**

- To understand the existing system and assess the strengths and weaknesses of the departments.
- To suggest the methods for improvement and for overcoming the weaknesses.
- To identify the opportunities for academic reforms.
- To suggest the methods for continuous improvement of quality as per the criteria and reports by NAAC and other bodies.

## **2. PROCESS OF THE AUDIT**

Internal Quality Assurance Cell (IQAC) of E.G.S.Pillay Engineering College has conducted the internal academic audit for Odd semester 2024-2025 activities in the third week of June 2025 as one of the activities of IQAC and External Audit was conducted on 23.08.2025. The audit process was revised in the Odd semester of 2024-25 after considering the recent trends of developments in higher education and teaching learning practices. Criteria for academic audit were formulated based on the criteria used in the previous year as well as the criteria used in other reputed universities. The newly added criteria are:

- Outcome Based Education (OBE)
- Sustainable Development Goal (SDG)
- Assessment Files
- Funded projects.
- Consultancy projects.
- Student achievements in cocurricular activities.
- Student achievements in extracurricular activities.
- Various Audit reports with feedback
- Classroom & Department rooms details
- Department Meeting Files
- Faculty & Students Leave Details
- Certificate Courses/Skill Development Courses Offered.
- Faculty/Student Membership in professional Societies.
- Revenue generated in this semester.
- Placement details
- Students strength.

There were 11 auditors for the conduct of department audit. Pre-audit meeting was conducted with HoDs and department IQAC coordinators and the auditors on 13<sup>rd</sup> August 2025. Preparations for audit regarding the new evaluation scheme and the guidelines for auditing the files related to department activities like faculty meeting minutes, class committee meeting minutes, department exam committee minutes, faculty and student development activities

The auditors were selected from various reputed Institutions like NITs. Totally 15 criteria & Sub criteria were identified for evaluating the files related to department activities for which rubrics were also given. Total marks allotted for department audit was 795. Comparison was made between 11 departments by the IQAC team based on the report submitted by the auditors.

## **2.1 CRITERIA FOR AUDITING THE FILES RELATED TO DEPARTMENT ACTIVITIES**

Table 2.1 shows the criteria formulated for auditing the files related to department activities.
